

Ralph Krudup

July 25, 1938 - March 18, 2021

Ralph Krudup completed his earthy life on March 18, 2021. He will be remembered on this earth, first by his wife, followed by two sons, two daughters, and two daughters-in-laws, five grandsons, five granddaughters, and one great-grandchild. Furthermore, by the community he loved and has lived in for over 50 years. He will have a special procession from the home farm to the top of the mountain where he will be laid to rest in his casket that was handcrafted with the kind assistance of Steve Crain and Ralph's two sons. From the lumber cut on the Krudup family sawmill. The interior was done by the daughters and daughters-in-law. The last tribute of honor will be his Farm tractor & wagon taking him from the Home farm to the Cemetery where anyone is welcome to partake in this journey. We will meet at 1 pm at the home as we travel to his final resting place where graveside services will be at 2 pm. Family and friends are invited to a memorial service to be held Tuesday, March 23rd, at the Windham Summit Bible church from at 5pm followed by a memorial dinner. Ralph would not desire flowers, but to do good to all men, and if anyone desires to give a contribution, he would rather it to go to the Rome Fire Company. Thank you all for your love & compassion. Memories and condolences may be shared by visiting his guestbook at www.sutfinfuneralchapel.com

“ Howard and I would like to extend our sympathy to the Krudup Family. We have lived in Nichols 57 years and have known Ralph in various ways all the years he lived in Rome
He has many crowns to lay at his Savoirs' feet.

“ Ralph was a kind man and helped those whenever he could. Recently, we (my wife and I) hit a patch of black ice and slide off the road and into the snowbank, I got out and Ralph answered the door. I knew he was not well at the time but his grandson and someone who was traveling down the road tried to help us, then the next thing I saw was Ralph charging up that tractor pulled not only us but his grandson who was trying to help us. I will remember him as a kind soul who would help out those whenever possible...

“ I was very saddened to hear of Ralph's passing. I was just there a short time ago to get some hay. We would always have pleasant conversations about health and world issues. Another good and hardworking soul who will be greatly missed.

“ Ralph as a very young man worked for my Dad hauling hay and bringing in grain and straw here on the farm in New Jersey. Then he married my good friend since kindergarten, Carol. May he meet his Heavenly reward and may Carol and family find comfort in knowing that he is with Jesus.

“ A lot of people live but don't actually LIVE. They only live for themselves. A man who lived his life for helping other people as well. Can't tell you how many people his age I would meet that would have some story about him. The first time I ever talked to judge Mr. Wheaton he told me he knew my grandfather, he helped him fix his tractor once. Here's to remembering a great mans life, I love you and I'll miss you grandpa.
